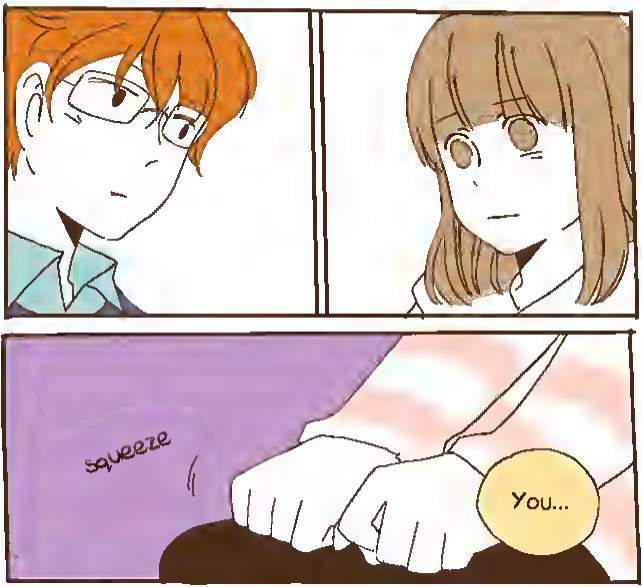
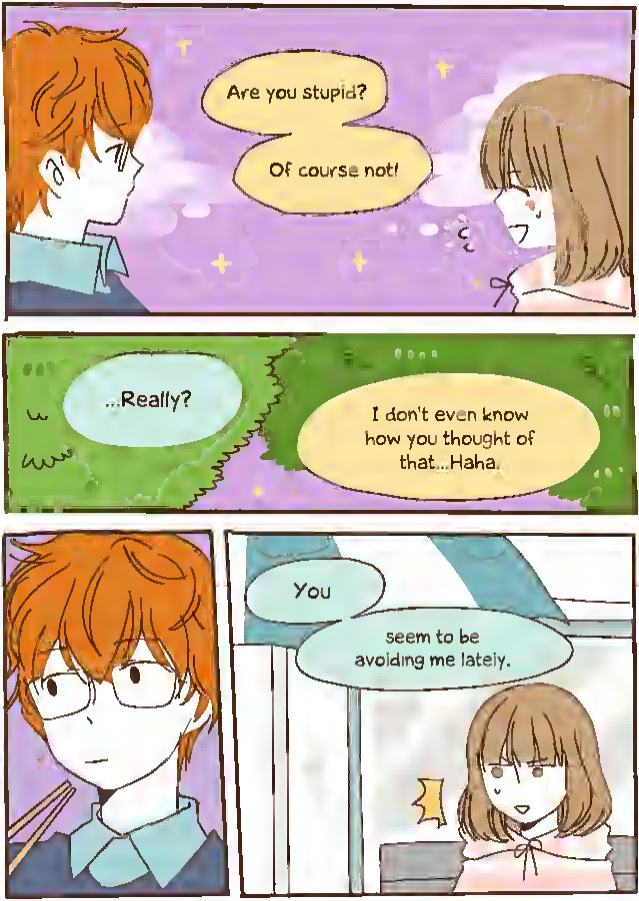
THE STORY OF SOMEONE WE KNOW

아는사람 이야기

Ep. 59. It's the Opposite

You...are you quitting because of me...?





Are you stupid?
Of course not!
...Really?
I don't even know how you thought of that...Haha.
You
seem to be avoiding me lately.

Whenever I talk to you, you seem disinterested...
Even when I joke around, you get all serious and push me away...
On top of all that,
you suddenly said you're quitting...
Of course I would think that way..
I thought maybe you just hated me that much.

To be honest,
I was
a bit sad.
Yeah.
It would've been better
if I could do that.
I want to be able to hate you.

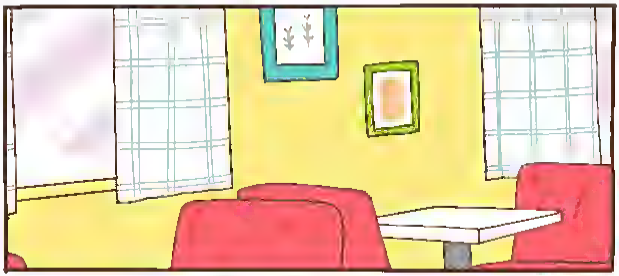
I keep pushing down my feelings that try to come out.

I was enduring it and trying so hard...
You don't know how I feel at all.
You stupid Nam Sun-Oh
So you're really quitting, huh...
Even though I didn't treat you very well before,

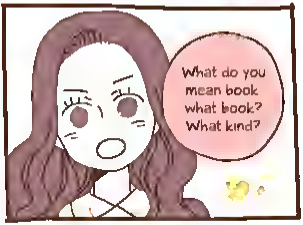
You.
don't hate me that much,
please?
Why-
Why do you keep saying these kinds of things_?

Ah-
Really ..!
Hey ∪
H-Hey!
What's wrong?
It's not true.
That's not it.
I don't hate you.
...I don't...
hate you

It's the opposite



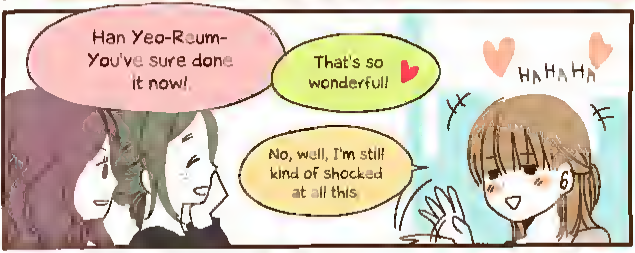
A BOOK??



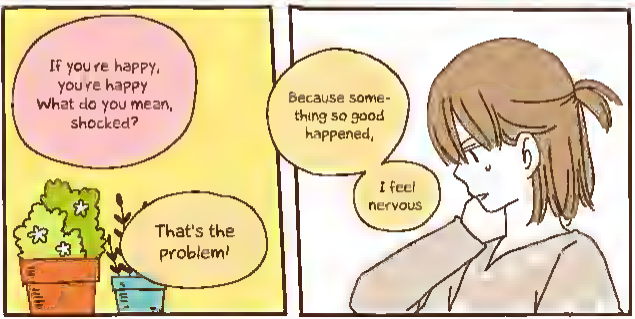
What do you mean book what book? What kind?

Wow! I'm so excited!

You know how I post photos of the dolls I make?
Yes?
They want to put them together and make a book or something!
Whoa-

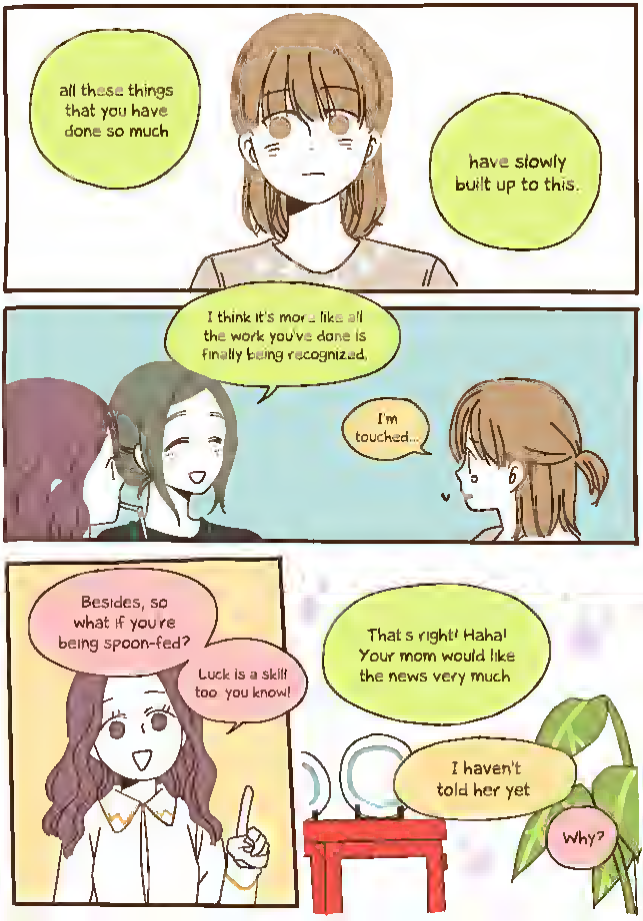


Han Yeo-Reum- You've sure done it now!
That's so wonderful!
No, well, I'm still kind of shocked at all this
HAHAHA



If you're happy, you're happy What do you mean, shocked?
That's the problem!
Because something so good happened,
I feel nervous

They were photos and posts that I uploaded for fun...
Anyone can do that.
But for that to be made into a book,
it feels too good to be true.
It feels like I'm being spoon-fed.
I don't think that's true.
Huh...?
Yeo-Reum, you said anyone could do that,
when actually, not many people can do it as regularly as you do...
And you're not being spoon-fed, either.
To design something, to order the fabric,
to cut, stitch, take photos, organize them and upload the pictures,



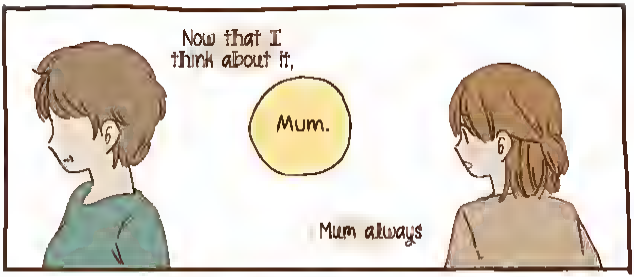
all these things that you have done so much
have slowly built up to this.
I think it's more like all the work you've done is finally being recognized.
I'm touched...
Besides, so what if you're being spoon-fed?
Luck is a skill too, you know!
That's right! Haha! Your mom would like the news very much
I haven't told her yet
Why?

Because she's always disappointed in everything I do And that includes my dolls
Even if I tell her I'm publishing a book, she won't like it..
Ehh- No way!
I'm serious!
My mum always sees me in a bad way, you know..?
Whenever I get home, as soon as our eyes meet, she goes back to her room
as if she doesn't want to see my face
It's so depressing that I purposely go home as late as possible
Um
But aren't .

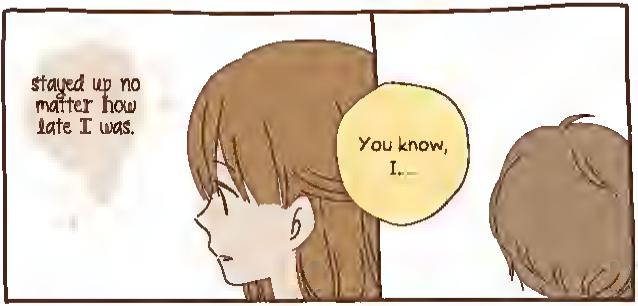
you the one whose vision is warped?

I'm home
beep
What do you mean, my vision is warped?
Go sleep

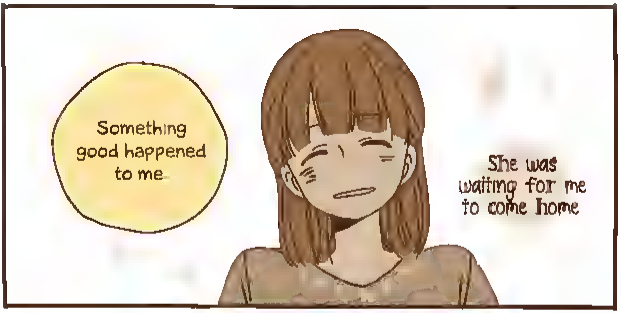
"I don't think it's because she doesn't want to see your face."



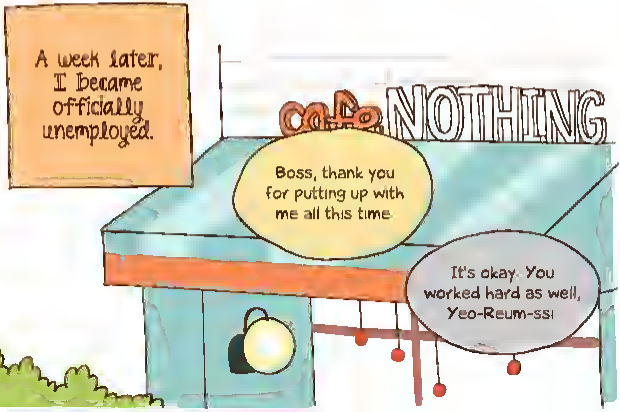
"It's because she sees your face."



that she is relieved and can go back to sleep, don't you think?

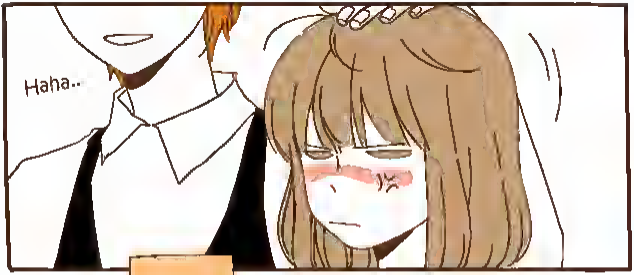


Something good happened to me
She was waiting for me to come home



A week later, I became officially unemployed.
NOTHING
Boss, thank you for putting up with me all this time
It's okay. You worked hard as well, Yeo-Reum-ssi

Nu...Nuna...
You should visit often with Sang-Hoon Hyung, okay~?
So that's you're motive, huh?
That's right
PAT
I'll make you the best coffee- so come hang out sometime
MOVE IT!
I don't want to



That day,

I confessed.

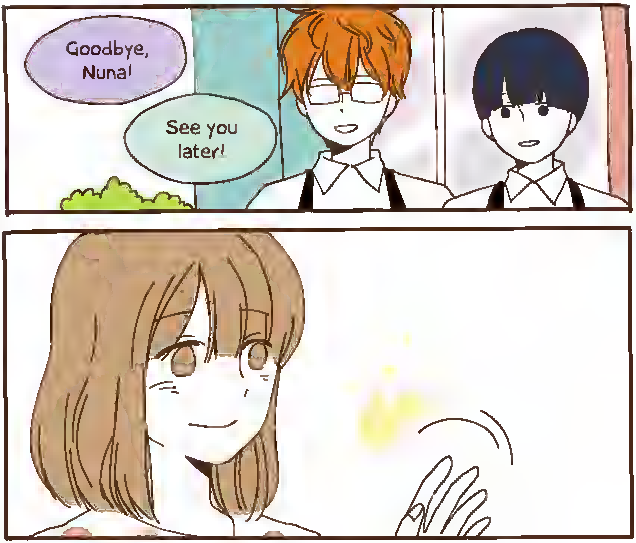
It's the opposite

Opposite...
Opposite of what?
I...
About you...

I don't hate you.
What's up with that? Haha. You've already said that
Yeah... Well.
What's there to cry about?
I guess I'm just sad now that I'm going to quit my job...
Stop crying!
Haha.
Are you dumb?
The café...
Soo-Neung...
Boss..

Even you...

I loved so much.



That was as much of
a confession as I could do

I will never go
to see you again.
